

NATURAL CYCLE

Carried out using the patient's own natural cycle - requires little ovarian stimulation. The objective is to obtain 1 or 2 eggs.

€1,800.00

INCLUDES

- Medical treatment and follow-up.
- Medication plan.
- Basal echography with hormone control, carried out at IVF Spain.
- Echographies with hormone control, carried out at IVF Spain, if necessary.
- Sperm capacitation.
- Ovarian puncture with sedation*.
- 1st embryo transfer.
- No waiting list (subject to laboratory organisation and time required for preparing the treatment).
- Gidget™ robotic system for sample tracking**.

NOT INCLUDED

- Medication.
- Vitrification of remaining embryos***: **€400.00**.
- The maintenance of embryos will have a cost of **€300.00** / year (free of charge during the first year).
- The maintenance of cryopreserved sperm samples (if applicable) will have a cost of **€150.00** / year (free of charge during the first year).
- Ovarian puncture under general anaesthesia: **€400.00**.

FERTILISATION & TRANSFER

- ICSI / IVF fertilisation technique.
- Embryo transfer preferably on day 3 of its development.

CANNOT BE PERFORMED

- Blastocyst culture.
- PGS (euploidy prediction).
- PCSI / IMSI fertilisation technique.

OPTIONAL

- MACS (Magnetic Cell Sorting): **€250.00**.
- Embryo selection using the Time-Lapse Geri+™ technology: **€600.00**.
- Recombine®: **€560.00**.
- ErMap®: **€450.00**.
- Spanish sperm bank: **€750.00**.
- International sperm bank: **€1,000.00**.

CUMULATIVE PREGNANCY RATES (2-6 CYCLES) UP TO: 45 %****

* In case the puncture would be performed on a Sunday or a Bank holiday, an additional cost of €260.00 will be charged.

** The most up-to-date system for monitoring, identification and tracking of biological samples.

*** The vitrification process is mandatory in cases in which the number of produced embryos is higher than the number of embryos that can be transferred.

**** It depends on the patient's age and quality of the eggs.

NATURAL CYCLE

CANCELLATIONS POLICY AND REFUNDS

Cancellations without additional costs:

- Cancellations made between the signature's date of this quotation and signature's date of the "Checklist" document.
- First rescheduling of the time frame is free of charge within a period of six months. The following rescheduling of the time frame within that 6-month-period will have additional costs.

Cancellations with additional costs:

- **200.00€** : for subsequent reschedulings of the time frame, provided that the causes are not attributable to the clinic.
- In case of a rescheduling of the time frame six months after the first visit, a new first visit along with new serology tests will be mandatory.
- Should the patient decide to cancel the cycle:
 1. Between the signature's date of the checklist and 20 days before the beginning of the time frame, an invoice of **25%** of the quotation contained in the checklist will be issued.
 2. Between 19 days before the beginning of the time frame and the beginning of the time frame, an invoice of **70%** of the quotation contained in the checklist will be issued.
 3. After the beginning of the time frame, an invoice of **100%** of the quotation contained in the checklist will be issued.

Cancellations for clinical reasons:

- Before the puncture:

€500.00

PAYMENT METHODS

Treatment can be paid in cash, with credit card or bank transfer. Please, take into account the established limits for payments in cash set in Spanish legislation.

Suitable for patients with a low ovarian response and/or suffer from POA (Premature Ovarian Aging) and are aged between 35-43, where the genetic embryo selection (PGS with NGS) increases the pregnancy rate. The goal is to obtain 4 - 8 biopsiable embryos.

€19,500.00

3 "IVF PLUS" Treatments: Possibility to upgrade to embryobanking with 4 cycles.

INCLUDES

- Medical treatment and follow-up.
- Medication plan.
- Basal echography with hormone control, carried out at IVF Spain.
- Echographies with hormone control, carried out at IVF Spain, if necessary.
- Sperm capacitation.
- Ovarian puncture with sedation.
- 1st frozen embryo transfer in natural or stimulated cycle.
- No waiting list (subject to laboratory organisation and time required for preparing the treatment).
- Gidget™ robotic system for sample tracking*.

NOT INCLUDED

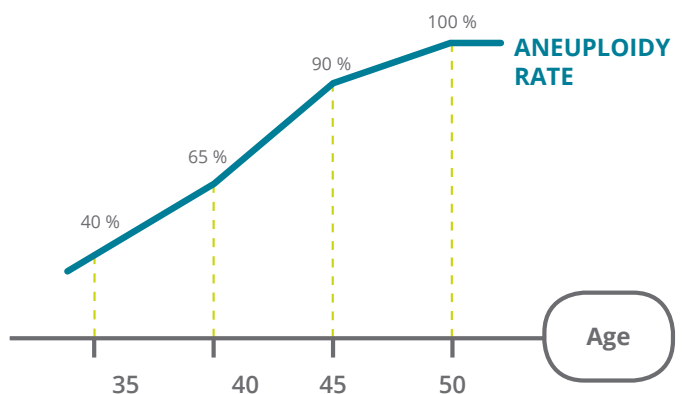

- Medication.
- Vitrification**, Biopsy and PGS of more than 8 embryos: €300.00 /embryo.
- The maintenance of embryos will have a cost of €300.00 / year (free of charge during the first year).
- The maintenance of cryopreserved sperm samples (if applicable) will have a cost of €150.00 / year (free of charge during the first year).
- Ovarian puncture under general anaesthesia: €400.00.
- Subsequent frozen embryo transfers: €1,800.00.

FERTILISATION & TRANSFER

- ICSI / IVF / PICSI / IMSI fertilisation technique.
- Embryo culture under hypoxia conditions.
- Embryo selection using the Time-Lapse Geri+™ technology.
- Biopsy and vitrification of up to 8 embryos.
- PGS (Genetic preimplantation screening with NGS and array techniques - euploidy prediction) up to 8 embryos.
- Embryo transfer, only if PGS results determine the euploidy of at least 1 blastocyst.
- Assisted hatching, if necessary.

OPTIONAL

- MACS (Magnetic Cell Sorting): €250.00.
- Time-Lapse USB (video): €250.00.
- Recombine®: €560.00.
- ErMap®: €450.00.
- Spanish sperm bank: €1,250.00.
- International sperm bank: €2,000.00.

PREGNANCY RATES: 55 % - 75 %^{***}

* The most up-to-date system for monitoring, identification and tracking of biological samples.

** The vitrification process is mandatory in cases in which the number of produced embryos is higher than the number of embryos that can be transferred.

*** It depends on the patient's age and quality of the eggs.

IVF WITH EMBRYOBANKING - 3 CYCLES

CANCELLATIONS POLICY AND REFUNDS

Cancellations without additional costs:

- Cancellations made between the signature's date of this quotation and signature's date of the "Checklist" document.
- First rescheduling of the time frame is free of charge within a period of six months. The following rescheduling of the time frame within that 6-month-period will have additional costs.

Cancellations with additional costs:

- **200.00€** : for subsequent reschedulings of the time frame, provided that the causes are not attributable to the clinic.
- In case of a rescheduling of the time frame six months after the first visit, a new first visit along with new serology tests will be mandatory.
- Should the patient decide to cancel the cycle:
 1. Between the signature's date of the checklist and 20 days before the beginning of the time frame, an invoice of **25%** of the quotation contained in the checklist will be issued.
 2. Between 19 days before the beginning of the time frame and the beginning of the time frame, an invoice of **70%** of the quotation contained in the checklist will be issued.
 3. After the beginning of the time frame, an invoice of **100%** of the quotation contained in the checklist will be issued.

Cancellations for clinical reasons:

- Before the puncture: **€500.00**
- In case of no egg retrieval: **€5,400.00**
- In case of no fertilisation: **€9,750.00**
- In case of no biopsiable embryos: **€14,400.00**
- In case of no euploid embryos after PGS: **€18,500.00**

PAYMENT METHODS

Treatment can be paid in cash, with credit card or bank transfer. Please, take into account the established limits for payments in cash set in Spanish legislation.

COMPLIANCE AND PRICING AGREEMENT

The undersigned agrees the formalisation of this quotation under the following conditions:

- **€9,500.00** must be paid, at least, 7 days before the beginning of the first time frame.
- **€4,500.00** must be paid, at least, 7 days before the beginning of subsequent time frame.
- The justification of payments on account must be notified to the clinic via e-mail (admin@ivf-spain.com) or fax (+34 965 986 865); the payments can also be made by credit card filling in the authorisation form.
- The amount corresponding to the embryos to be vitrified - if required - as well as other purchased services must be paid on the day of the embryo transfer.
- The compliance and interpretation of this agreement is subject to the Spanish legislation and jurisdiction of the courts of Alicante.
- This quotation constitutes a firm quote and may not be subject to any modification and/or discount.

Quotation valid until the 31/12/2018.

Date:

Should you have not undergone any treatment by due date, please request a new quotation.
