

A CLINIC FOR EVERYONE

FERTTY INTERNATIONAL is a modern fertility center, based in Barcelona (Spain), a city which presents a world-renowned destination for international couples and individuals who seek fertility treatments.

Reasons to choose us:

- >> Altruistic donation
- >> Highly qualified team >> Comprehensive legislation

TREATMENTS

At FERTTY INTERNATIONAL we create individualized fertility treatment programs that tailor to our patient's needs.

- >> Artificial Insemination
- >> In Vitro Fertilization (IVF)
- >> In Vitro Fertilization with **donor eggs** and/or **donor sperm**
- >> Shared Motherhood
 (Reception of oocytes from partner)
- >> Preimplantation Genetic Diagnosis
 and Screening (PGD/PGS)
- >> **Vitrification** (Fertility preservation)
- >> Carrier screening for genetic disorders

PATIENT EXPERIENCE

The patient experience is a fundamental concept at FERTTY INTERNATIONAL, because every detail of this experience will contribute to success. In this journey, one may experience travelling challenges, language barriers, time differences, etc. We make this process easy and comfortable so every patient will relax and enjoy their journey.

COMMUNICATION:

We emphasize the open, free and constant communication between patients and our team. A physician, a biologist and a patient assistant are assigned to each patient to guide them through every step of the way. Providing support by mail, phone and video conference, we ensure that the experience is positive and successful.

TRAVELING:

We welcome our patients to combine their treatment with a relaxing vacation experience in sunny Barcelona. Rich in history, culture and architecture, with cosmopolitan life, Mediterranean Sea and delicious food, Barcelona is an exceptional place to enjoy the stay.

We assist our patients with travel logistics making sure their fertility journey is relaxed.

WE WORK WITH YOUR **FERTILITY SPECIALIST**

FERTTY INTERNATIONAL collaborates with centers and physicians in different countries, which allows us to coordinate the treatment in the patient's home country. Our prime programs for **Long Distance Patients** give the possibility to access IVF treatments with significantly lower prices and to shorten the time of the patient's stay in Barcelona or avoid travel to our center:

Just For Transfer - IVF with egg donation:

Procedure performed at your country: fertility diagnostic, laboratory tests and ultrasounds.

Procedure performed at FERTTY INTERNATIONAL

(Barcelona): egg donor matching, laboratory procedures, embryo creation and embryo transfer to the uterus.

Patients average time in Barcelona: 3 days.

FERTTY INTERNATIONAL (BARCELONA)

There are many ways to become a mother

Distance Egg Donation - IVF with egg donation:

of the vitrified embryos to your country.

Procedure performed at your country: fertility diagnostic, laboratory tests, ultrasounds and embryo transfer.

Procedure performed at FERTTY INTERNATIONAL (Barcelona): egg donor matching, laboratory procedures, embryo vitrification and shipment

Patients average time in Barcelona: 0 days.
