Meet your guide and proceed for a full-day coastal expedition tour. The road leads through scenic countryside and rugged mountains to the small fishing town of Quriyat. You will stop at the limestone Sinkhole in Bimmah. The deep blue water in the Sinkhole is really tempting and no wonder if you wish to take a swim. After visits, continue to the white beach at Fins. Take a panoramic drive through Wadi Tiwi, an oasis well known for its lemon and date plantations. You will also visit Wadi Shab, one of the most beautiful wadis in Oman. Aptly named in Arabic as the 'Gorge between Cliffs', Wadi Shab is one of the most lovely destinations in Oman. The wadi rewards even the most reluctant walker with turquoise pools, a busy falaj (irrigation channel), waterfalls and terraced plantations; kingfishers add glorious splashes of colour and year-round trusses of pink oleander bloom by the water's edge. A five-minute boat ride is required to cross the mouth of the wadi to the trail head.
