

Tena Walters

Consultant Breast Surgery
London

Miss Tena Walters is a breast surgeon, based at the London Breast Clinic, 108 Harley Street. She specialises in the diagnosis and treatment of breast cancer, genetic and familial pre-disposition to breast cancer, adjuvant endocrine therapy and benign breast disease.

Tena Walters is a highly qualified and accomplished consultant Breast Surgeon. She undertook her medical training at the Medical College of St Bartholomew's Hospital in 1983. She was appointed Lecturer in Anatomy, and subsequently lecturer in Surgery on the Professorial Surgical Unit at Barts where she completed an MS thesis studying smooth muscle cell proliferation. She has worked in Breast Test Wales and in the Royal National Hospital of Wales, the Heath Cardiff.

In 1996 she was appointed as a Consultant in Breast and Colorectal Surgery at Queen Mary's Hospital Sidcup and became Lead Clinician of the Breast Unit in 1998 and Lead Clinician in Oncology in 2002. In the same year she was nominated for the Hospital Doctor of the year award and gained proxime accessit in the oncology category. She also joined the London Breast Clinic team back in 1996.

Her special interests include family history of breast disease, the effects of HRT on breast tissue and the management of breast pain as well as the early diagnosis and management of breast cancer.

Miss Walters is an exceptionally well qualified practitioner providing only the highest standards of treatment and care to her patients.
