### Fees

Initial Consultation **£250-200**

Mr Aravind Reddy, is an experienced eye surgeon offering high quality care in a safe and friendly environment for a comprehensive range of eye problems in adults and children, including cataracts, corneal disorders, keratoconus, refractive eye conditions, glaucoma and squint.

Mr Aravind Reddy is a Consultant Ophthalmic Surgeon at Aberdeen Royal Infirmary and Royal Aberdeen Children's Hospital. He offers an extensive range of private ophthalmic services at BMI Albyn Hospital in Aberdeen.

Patients deserve the highest quality of care delivered by empathetic and caring professionals. With over 23 years of experience in eye surgery, Mr. Reddy's practice epitomizes the above values within his modern and efficient practice.

Following qualification in 1995, Mr. Aravind Reddy trained in ophthalmology in eminent teaching hospitals in the UK and abroad. He acquired a range of qualifications and memberships of specialist UK and international ophthalmic organizations and societies.

He maintains a practice in the NHS following appointment in 2007 as a Consultant Ophthalmic Surgeon at Aberdeen Royal Infirmary and Royal Aberdeen Children's Hospital.

He is an Honorary Senior Lecturer at the Medical school at University of Aberdeen and maintains an active role in undergraduate and post-graduate education.

Mr Reddy has held a position of Clinical Lead for the Eye Health Network for NHS Grampian from 2013 -2017.

Mr Reddy takes a keen interest in training the next generation of ophthalmologists. He is actively involved in activities related to the quality of training in North of Scotland having held important positions such as Training Programme Director for Surgical Ophthalmology for Scotland North (2011 to 2015).

As the Regional Advisor to the Royal College of Ophthalmologists for the North of Scotland, he has been actively involved in the regulation and quality of post-graduate education and training.
