Dr Edward Stoner is a Consultant Gastroenterologist practising at Springfield Hospital in Chelmsford, Essex. He specialises in reflux, ulcers, irritable bowel syndrome, colitis, Crohn's disease, gallstones, rectal bleeding and gastrointestinal cancers.

Dr Edward Stoner, MB ChB, MD, FRCP, is Consultant Gastroenterologist at the Princess Alexandra Hospital in Harlow. He provides private investigation and treatment for gastrointestinal conditions at Springfield Hospital in Chelmsford, The Rivers Hospital in Sawbridgeworth, Highgate Hospital in North London and Pinehill Hospital in Hitchin.

Dr Edward Stoner graduated from Manchester University Medical School in 1990 and undertook specialist gastroenterology training at the Royal London Hospital and district general hospitals on its rotation.

He was awarded a MD for his thesis on Sphincter of Oddi manometry by the University of London in 2000 and in the same year was appointed Consultant Gastroenterologist at Princess Alexandra Hospital. He was invited to become Fellow of the Royal College of Physicians in 2004.

Edward has a large practice covering Essex and Hertfordshire in various private hospitals including Springfield Hospital in Chelmsford. He has considerable experience and expertise in endoscopic techniques. The number of procedures he performs is well above the national average, as is the audited success rates, ensuring high quality work.

Edward is highly skilled in upper GI endoscopy and colonoscopy, including the therapeutic techniques of polypectomy, endoscopic mucosal resection (EMR) and stent placement. He is currently teaching and supervising other Consultant Gastroenterologists and junior trainee gastroenterologists in these techniques. Edward receives referrals from other gastroenterologists and GI surgeons to manage endoscopically challenging cases.
