

## Myles Black

Consultant ENT & Thyroid Surgeon  
London

Myles Black is a Consultant ENT Surgeon based at the London Thyroid Clinic in Harley Street, London and a nominated Consultant Thyroid Surgeon for East Kent Hospitals University NHS Foundation Trust.

Myles Black is fully trained in all aspects of Ear, Nose and Throat (ENT) surgery with extensive experience both in paediatric and adult ENT disorders such as thyroid disease, obstructive sleep apnoea, head and neck cancer, tinnitus, vertigo, and grommets. Working at 108 Harley Street, his subspecialist interests are thyroid, salivary gland, voice, paediatric, snoring and sinus surgery.

Mr Black graduated from Queen's University of Belfast medical school in 1993 and underwent his registrar training in ENT surgery at Guy's, St Thomas' and Great Ormond Street Hospitals. He attended the Memorial Sloane Kettering Hospital, New York and the European Hospital Georges Pompidou, Paris in his final year of training to further his training in thyroid surgery.

In 2006 Mr Black was appointed as Head & Neck Fellow, Christchurch Public Hospital and Senior Lecturer to the University of Otago Medical School, New Zealand for 1 year until his return to the United Kingdom as Consultant Ear, Nose and Throat (Otorhinolaryngology) and Thyroid Surgeon to East Kent University Hospitals Foundation Trust in 2007.
