Based at The Harley Street Clinic, 35 Weymouth Street London, Mr Debashis Ghosh is a leading consultant breast and oncoplastic surgeon. He specialises in the treatment and management of malignant and benign breast disease and offering a full range of oncoplastic, cosmetic and corrective breast surgery procedures.

Mr Debashis Ghosh is a consultant breast and oncoplastic surgeon at the Royal Free London NHS Foundation Trust and UCL Medical School, home to one of the world's foremost breast units. He provides private consultation and treatment at some of London's most prestigious independent hospitals including The Harley Street Clinic, King Edward VII's Hospital and the Hospital of St John & St Elizabeth.

Mr Debashis Ghosh undertook Higher Specialist Training in Breast & Oncoplastic Surgery at University Hospitals of Leicester, Addenbrooke's Hospital in Cambridge and Peterborough City Hospital. He then spent a year completing a post CCT Fellowship at the Royal Free Hospital in London. Mr Ghosh has also received training at many leading European centres as a Visiting Fellow, including The Paris Breast Institute where he trained in special techniques in oncoplastic surgery.

Mr Ghosh has the distinguishing accolade of holding a dual qualification from the European Board of Surgery in Breast & Surgical Oncology.
