

## Paul Sherry

Consultant Orthopaedic Surgeon  
Cheshire

Mr Paul Sherry is a Cheshire-based orthopaedic surgeon with a special interest in treating hip, knee, foot and ankle conditions, including osteoarthritis, hip dysplasia, ACL rupture, meniscal cartilage tear, bunions, Achilles tendon problems and fractures.

Mr Paul Sherry is Consultant Orthopaedic Surgeon at Warrington and Halton Hospitals NHS Foundation Trust. Specialising in adult orthopaedics, joint replacement, hip resurfacing and conditions affecting the knee, foot and ankle, his private practice is based at Spire Cheshire Hospital in Warrington.

Following his graduation from St Bartholomew's and East Anglia Medical School, Mr Sherry undertook his specialist orthopaedic training in the UK and Canada. He was appointed Consultant Orthopaedic Surgeon at Warrington and Halton Hospitals NHS Foundation Trust in 1995, where he continues to run a busy NHS service for all conditions affecting the musculoskeletal system.
