

Sophie Grabczynska

Consultant Dermatologist

Buckinghamshire

Offering modern, up-to-date treatment with a friendly and supportive approach, Buckinghamshire-based Consultant Dermatologist Dr Sophie Grabczynska offers expert assessment and treatment for the full range of skin complaints in adults and children.

Dr Sophie Grabczynska is a specialist in general dermatology, treating all types of skin complaints including rashes, lumps, ulcers, areas of discolouration or change in pigment of the skin, skin roughness, irritation or sensitivity, skin conditions affecting hair, genital skin in women, paediatric dermatology (children's skin problems), eczema, acne, sun related allergies and problems, skin cancer, cosmetic and non-cosmetic skin surgery, vitiligo, basal cell carcinoma and psoriasis.

Dr Grabczynska works for the NHS as a Consultant Dermatologist at the Buckinghamshire Hospitals NHS Trust (Amersham, Stoke Mandeville and Wycombe Hospitals) where she has a busy clinical practice managing all aspects of skin disease in adults and in children. She has the full support of a multidisciplinary team and the facilities of a first-class dermatology service. She is also the clinical lead for Paediatric Dermatology in her hospitals. She works as a Private Consultant Dermatologist in Great Missenden, Princes Risborough and Beaconsfield.

Dr Grabczynska graduated from Charing Cross and Westminster Medical School (University of London) in 1990. Her higher specialist training was undertaken in London teaching hospitals, and at the St John's Institute of Dermatology. She gained specialist accreditation and was awarded a place on the Specialist Register in dermatology by the General Medical Council in 2002. She was elected a Fellow of the Royal College of Physicians in 2006.
