

## Kin Sheng Lim

Consultant Ophthalmic Surgeon  
London

Mr K Sheng Lim is a Consultant Ophthalmic Surgeon at St Thomas' Hospital in London and an internationally recognised expert in glaucoma treatments. Skilled in the latest techniques, he offers private glaucoma treatment, cataract surgery and intraocular lens implantation at Kersley Eye Clinic and The London Clinic in Harley Street.

Mr K Sheng Lim MBChB, MD, FRCOphth, is Director of the Glaucoma Service at St Thomas' Hospital, where he is also research lead for the ophthalmology department, and Reader (Associate Professor) in glaucoma studies at King's College London. With a private practice based in London's renowned Harley Street district, he offers expert treatment of glaucoma and cataracts using the most up-to-date technologies and techniques.

Mr K Sheng Lim qualified from University of Leicester Medical School in 1991 and undertook his general ophthalmology training in Reading and London. He subsequently received glaucoma training both in London and in the United States.

He became a Fellow of the Royal College of Ophthalmologists in 1996 and in 1997 spent two years researching into the surgical treatment of glaucoma at the Institute of Ophthalmology, Moorfields Eye Hospital and the University of Brighton. He was awarded his Doctorate in Medicine (MD) from University College London for this work in 2001.

In 2001, Mr Lim received a scholarship from the International Glaucoma Association allowing him to research human aqueous dynamics under the supervision of Drs Brubaker and Johnson at the Mayo Clinic in the USA.

An internationally recognised expert in glaucoma treatments, Mr Lim has been Director of the Glaucoma Service at St Thomas' Hospital since 2006.
