Dr Rachel Byng-Maddick is a highly experienced Consultant Physician and Rheumatologist treating patients for various rheumatology problems at 77 Wimpole Street, Royal Brompton Hospital and Westminster Bridge Consulting Rooms, St Thomas' Hospital.

Dr Rachel Byng-Maddick is an expert Consultant Physician and Rheumatologist treating private patients at 77 Wimpole Street, Royal Brompton Hospital and Westminster Bridge Consulting Rooms, St Thomas' Hospital. She has a special clinical interest in inflammatory arthritis (rheumatoid arthritis, psoriatic arthritis, ankylosing spondylitis), back pain, gout, osteoarthritis, osteoporosis, soft tissue rheumatology (including tendonitis and plantar fasciitis) and chronic pain syndrome including fibromyalgia.

Graduating from Imperial College London in Medicine in 2004 with a distinction in clinical practice, Dr Byng-Maddick completed her specialist rheumatology and general internal medicine training in 2017. During this time, she worked in London at hospitals including University College London Hospital and Imperial College Healthcare NHS Trust.

With a PhD in rheumatoid arthritis, also from University College London, she currently works as a consultant at Guy's and St Thomas' Hospital and also sees patients at the Royal Brompton Hospital.
