

## Alwyn D'Souza

Consultant ENT / Cosmetic Plastic &  
Reconstructive Surgeon  
London

Mr Alwyn D'Souza is a board-certified, internationally renowned Consultant Facial Plastic and Otolaryngology (ENT) Surgeon specialising in aesthetic facial plastic and reconstructive surgery, including skin cancer surgery and complex revision surgery of the nose and face.

Mr D'Souza qualified in 1988, obtained higher surgical training in Otolaryngology (ENT) and Head & Neck Surgery following which completed super-specialist training in Cosmetic and Reconstructive Facial Plastic Surgery and has been awarded the American Board of Facial Plastic and Reconstructive Surgery Examination, which represents the only highly validated facial plastic surgery examination in the world. He is certified by The International Federation of Facial Plastic Surgery Societies (IFFPSS).

Mr. D'Souza is the immediate past President of British Society of Facial Plastic Surgery (ENTUK.org), and is currently the General Secretary of the European Academy of Facial Plastic Surgery (EAFPS.org). He holds the fellowship of The Royal College of Surgeons of England and Edinburgh and also dual certification by the European as well as the International Board of Facial Plastic and Reconstructive Surgery.

He is also the founder of the patient and physician educational portal London Facial Surgery, and is committed to the advancement of the field.

Mr D'Souza runs a multidisciplinary skin cancer clinic in conjunction with dermatology colleagues at University Hospital Lewisham. In his private practice, he also works in combination with experienced dermatologists, a skin pathologist and a specialist nurse to provide state-of-the-art care for patients with skin cancer affecting the face, head and neck.

A committed doctor, Mr D'Souza strives to provide a holistic service in the field of aesthetic and reconstructive facial surgery. He provides an honest, friendly opinion regarding a patient's suitability for cosmetic surgery, with realistic outcome, making safety and wellbeing the top priority. He is acutely aware of the ethnic variations in the aesthetics of the face and is well known for his ability to provide a natural, un-operated look by combining his artistic sense with meticulous surgical technique.
