

Basil Ammori

Consultant General and Bariatric Surgeon,
Manchester

Professor Basil Ammori is a Consultant Hepatobiliary and Bariatric Surgeon in Manchester. He has a special interest in advanced laparoscopic (keyhole) surgery, surgery of the gallbladder, bile duct, liver and pancreas as well as obesity and weight loss (bariatric) surgery.

An internationally renowned Bariatric Surgeon, Professor Basil Ammori leads the bariatric surgery services at Salford Royal Hospital and at the Internationally Accredited Bariatric Centre of Excellence at the Spire Hospital, Manchester.

He has performed over 3,000 keyhole (laparoscopic) weight loss surgical procedures including gastric band, gastric bypass, sleeve gastrectomy, duodenal switch and gastric balloon as well as complex revision surgery, and has successfully operated on people with body mass index as high as 89 kg/m².

As well as a wide range of bariatric weight loss treatments, Professor Ammori has a special interest in advanced laparoscopic (keyhole) surgery of the gallbladder, liver, bile duct and pancreas.
