Initial Consultation **£249**

Follow-up Consultation **£149**

Mr Donald Adam is a Birmingham-based Consultant Vascular & Endovascular Surgeon specialising in walk-in-walk-out procedures for varicose veins and leg ulcers. A pioneer in keyhole vascular treatments, he uses minimally invasive endovascular techniques such as ultrasound-guided foam sclerotherapy and radiofrequency ablation. He is available for private consultation at Premier Veins in Edgbaston and at private hospitals in Solihull, Sutton Coldfield and Droitwich.

Mr Donald Adam qualified in medicine from the University of Edinburgh in 1990 and became a Fellow of the Royal College of Surgeons of Edinburgh in 1995. He was awarded an MD for his research into blood coagulation in aortic aneurysm repair at the University of Edinburgh.

Donald undertook his extensive training in vascular and endovascular surgery in Edinburgh, Leicester and Adelaide, Australia. He was appointed as Consultant Vascular and Endovascular Surgeon at Heart of England Hospitals in Birmingham in 2004.

Donald is experienced in the full range of treatment options for arterial and venous disease. His specialisms include endovascular aortic aneurysm repair and keyhole treatment of varicose veins and leg ulcers on a walk-in-walk-out basis.

Donald is based at Premier Veins, a one-stop varicose veins clinic in Edgbaston's Medical Quarter where patients can receive expert consultation, diagnosis and treatment for problem veins from a team of leading Vascular and Endovascular Consultants. The clinic is equipped with the latest minimally invasive technology and treatment is tailored to each patient's needs using a range of highly effective walk-in-walk-out procedures.

Specialises in

- Minimally invasive endovascular treatment for varicose veins
- Radiofrequency ablation (RFA)
- Ultrasound-guided foam sclerotherapy (UGFS)
