

Brij Madhok

Consultant Laparoscopic, General,
Upper GI and Bariatric Surgeon

Derby

Mr Brij Madhok is a Consultant General Surgeon at the Royal Derby Hospital specialising in laparoscopic (keyhole) surgery, gallbladder surgery, groin and abdominal wall hernia surgery, gastro-oesophageal reflux disease and weight loss surgery. He is available for private consultation at Nuffield Health Derby Hospital and Royal Derby Hospital Private Patients Unit.

Mr Brij Madhok has received extensive surgical training in general and laparoscopic (keyhole) surgery working in several different hospitals in London, Manchester and throughout Yorkshire. He then underwent further specialist training with the prestigious bariatric fellowship at Sunderland Royal Hospital before taking up his appointment as a Consultant Surgeon at the Royal Derby Hospital.

Mr Madhok is an honorary assistant professor at the School of Medicine, University of Nottingham. He plays an active role in teaching medical students and training junior doctors. He regularly teaches on advanced laparoscopic surgery training courses and other surgical training courses.

Mr Madhok was awarded Doctor of Medicine (MD) by the University of Leeds for his work in cancer research. He also has a Postgraduate Diploma in Clinical Health Research from the University of Leeds. He has keen interest in medical research and participates in different studies to advance medicine and overall improve patient care.
