Mr Sanjay Agrawal is a senior specialist laparoscopic (keyhole) obesity (weight-loss) and bariatric surgeon offering a wide range of weight loss procedures including gastric sleeve, gastric band and gastric bypass. He also provides general and upper gastrointestinal surgeries for conditions such as reflux, gallstones and hernias.

Mr Sanjay Agrawal is a Consultant in Bariatric (Obesity/Weight Loss), Laparoscopic (Key-hole) and Gastrointestinal (GI) surgery at Homerton University Hospital in London. He is also the clinical director and founder of Harley Street Obesity Clinic in Harley Street.

Mr Agrawal is designated as 'Master Surgeon in Metabolic & Bariatric Surgery™ (MSMBS™)' by Surgical Review Corporation of USA. It was previously called 'Surgeon of Excellence in Metabolic and Bariatric Surgery™ (SOEMBS™)' & 'Bariatric Surgeon of Excellence™ (BSOE™)'. Mr Agrawal has been accredited with the above since October, 2012. He has the honour of being the only Weight-loss/Obesity Surgeon in the UK to achieve this certification.

Mr Agrawal has had extensive training in UK, Belgium, Japan and India, and has experience of over 1250 keyhole obesity procedures to date. In addition, he has undertaken more than 2000 general surgical procedures so far.

Mr Agrawal has joined Top Doctors® UK by invitation and become a member of their international medical team following identification of him as a leading specialist in Obesity Surgery in the UK.

Mr Agrawal is Symposium Director of London International Bariatric Surgery Symposium (LIBSS). He has edited a book titled 'Obesity, Bariatric & Metabolic Surgery: A Practical Guide' which has achieved more than 192,000 individual chapter downloads electronically worldwide since release (2015).

Mr Agrawal has the honour of being the first and only post-CCT Fellow in bariatric and upper GI surgery awarded under the National Surgical Fellowship Scheme through the Royal College of Surgeons of England in the country. He has also completed a 3 month fellowship in bariatric surgery with Dr Bruno Dillemans at St. Jan Hospital in Bruges, Belgium, awarded by The Association of Surgeons in Training (ASiT), UK.

Mr Agrawal was a Visiting Fellow on the Ethicon short-term clinical visits programme awarded by the Royal College of Surgeons of Edinburgh and the Ethicon Foundation Fund in the Gastric Surgery Division at the National Cancer Center and Cancer Institute Hospital, Tokyo, Japan. He trains other surgeons in the field of bariatric and laparoscopic surgery.
